Directions to my home: “The Vineyard” mobile home park is on the east side of Edith Blvd, North of Montano and south of Osuna.

There is a Circle K right next to our entry.

Once inside the gate, you will come to a stop sign. Go straight ahead.

My home is just about in the middle of the long block, on the right side, A white house with yellow trim, #36.

Parking:

I have 2 driveways- please park in either one, and pull in as far as you can.

There should be room for 4 cars in the driveways(in addition to mine)

If all spaces are taken, please park your vehicle in the parking lot back down the street.

Please do not park in front of another home; one car in front of mine is ok.
